Part 1: What consent means in a relationship

Level: THIRD/FOURTH

Links to Curriculum for Excellence

Experiences and outcomes	Benchmarks
I recognise that power can exist within relationships and can be used positively as well as negatively. HWB 3-45a I am aware of the need to respect personal space and boundaries and can recognise and respond appropriately to verbal and non-verbal communication. HWB 3-45b I know where to get support and help with situations involving abuse and I understand that there are laws which protect me from different kinds of abuse. HWB3-49b	<ul style="list-style-type: none">• Explains the impact an imbalance of power can have on relationships, including sexual relationships, for example, consent, coercion, responsibility for actions and decisions.• Gives examples of laws in relation to sexual health, for example, age of consent, right to confidentiality, consent, coercion, grooming.• Identifies how to take action in a situation involving abusive or inappropriate sexual behaviour, for example, ending unhealthy relationships, local support, police.

Learning intentions
