

## **Sexual Decision-Making Toolkit**

## ARE YOU READY TO HAVE SEX?

## <u>Video link</u>

What are some myths the characters in the video believe about sex?
What does the video say about how to know if you're ready for sex?
Why do you think the characters in the video feel confused about whether or not they are ready for sex? How common is it for people your age to feel that way?
What can you do if you're unsure about whether you are ready for sex?
